

**The Philbrook Family and Orcas Island School District  
would like to invite all members of the  
Orcas Island Community to join them  
Saturday, September 28th from 1-3pm  
in the School Cafeteria for a  
Celebration of the Life of Georgia Philbrook**

*"Don't be late!"*

*Georgia was known by many as the face and voice of Orcas Island Middle and High School for most of the 38 years that she worked in the Orcas Island School District. We hope you will gather with us to share memories and celebrate Georgia's contribution to our community over the past 4 decades. Refreshments will be served.*

*Thank you to the Linnes family and Island Market for providing cake and lemonade.*
